

Hunt for King's Underground Books And Enter to Win a Visa Gift Card

Throughout the King Library, within certain bookshelves, there are 11 underground "vaults."

These vaults hold 15 controversial books that were, at some point, banned, burned or censored. Your quest is to find hidden vaults and write the names of 6 contentious books on the space below.

Vaults are visible, without removing books, and located on the bottom shelf sealed in plexiglass.
